**JOHNSON & JENNINGS PERFORMING OFFICE RENOVATION FOR
LUCE FORWARD AT ONE AMERICA PLAZA IN DOWNTOWN SAN DIEGO**

SAN DIEGO – (June 10, 2009) – Johnson & Jennings General Contracting has tenant improvement construction under way for the law offices of Luce Forward in One America Plaza located at 600 W. Broadway in downtown San Diego.

Scope of work for the 100,000-square-foot renovation of the occupied space includes cosmetic upgrades, new lighting, paint and carpet. The renovation project is scheduled for completion in August 2009.

Johnson & Jennings was retained for the project by Luce Forward, with Pat Baloing providing oversight for the law firm. H.Hendy & Associates is executing design services.

For Johnson & Jennings, Ken Worthen is serving as project manager, with Mike Harrison as project superintendent. Subcontractors include Resource Floors, Zephyr Painting, B&B Acoustics and Dynalectic.

Johnson & Jennings General Contracting is a leading San Diego-based general contracting firm specializing in commercial construction. The company has significant experience in law firm tenant improvements, recently having completed high-end offices for law firms Sheppard Mullin, Baker McKenzie and Jones Day. Founded in 1981 by owners Tom Johnson and Jackie Jennings, the firm employs a staff of 46 in headquarters located at 6165 Greenwich Drive, San Diego, Calif. More information about the company can be found on the web at www.johnsonandjennings.com.
